#### KATA PENCANTAR

Puji Syukur kami panjatkan kehadirat Allah SWT, sehingga Formularium Obat RSAB Harapan Kita edisi tahun 2017 dapat diselesaikan.

Sebagai rumah sakit pemerintah, kita ikut berperan menyukseskan program Jaminan Kesehatan Nasional yang merupakan era baru dalam pelayanan kesehatan bagi seluruh masyarakat Indonesia. Formularium ini telah mengakomodasi Formularium Nasional yang digunakan sebagai stendar obat di RSAB Harapan Kita untuk menjamin kelancaran pelayanan dengan beriakunya UU BPJS yang dimulai 1 Januari 2014. Selain itu, mengingat Surat Edaran dari Depkes RI, c.q. DirJen Bina Kefarmasian dan Alat Kesehatan No. HK. 03.03/1/245/10 tentang Pelaksanaan Penggunaan Obat Generik sehubungan dengan telah ditetapkannya Permenkes No. HK. 02.02/Menkes/068/2010 tentang Kewajiban Menggunakan Obat Generik di Pelayanan Kesehatan Pemerintah serte Permenkes Fasilitas 03.01/Menkes/159/I/2010 tentang Pedoman Pembinaan dan Pengawasan Penggunaan Obat Generik di Fasilitas Pelayanan Kesehatan Pemerintah, maka dihimbau kembali untuk mengutamakan penggunaan obat generik. Adapun obat yang merupakan non-Formularium Nasional pemilihannya mengindahkan prinsip manajemen dan kriteria mayor, yaitu berdasarkan pola penyakit yang berkembang, efikasi, keamanan dan kualitas. Proses pemilihan ini diselenggarakan oleh Panitia Standardisasi dengan mempertimbangkan usulan seluruh SMF.

Formularium Obat sebagai standar obat yang berlaku, maka semua dokter yang bekerja di RSAB Harapan Kita harus mengacu pada Formularium Obat dalam memberikan terapi medikamentosa. Dengan demikian Formularium juga dapat digunakan untuk evaluasi kinerja dan kepatuhan dokter dalam penulisan resep. Formularium Obat merupakan salah satu instrumen dalam efesiensi dengan mutu pelayanan yang baik. Oleh karena itu diharapkan pada dokter dalam memberikan pelayanan terapi memperhatikan aspek efesiensi sebagai tanggung jawab profesional dan memahami bahwa RSAB Harapan Kita adalah rumah sakit pemerintah yang harus berpihak kepada masyarakat.

Ucapan terimakasih kami sampaikan pada Tim Penyusun dan Ketua SMF yang telah membantu tersusunnya Formularium ini. Selanjutnya Formularium Obat RSAB Harapan Kita Edisi tahun 2017 yang telah disusun melalui konsensus dengan memperhatikan aspek mutu dan efesiensi dapat menjadi pedoman. Kepada mereka yang telah ikut membantu dalam menyusun Formularium Obat RSAB Harapan Kita edisi tahun 2017 ini, di sampaikan penghargaan dan terima kasih yang sebesar-besarnya.
